Tips for Winter Climbing and Ski Touring

- Plan carefully and prepare for all weather conditions.
- Check avalanche conditions and carry appropriate safety gear.
- Dress in layers and wear moisture-wicking clothing.

- Bring high-energy snacks and plenty of water.
- Inform someone of your itinerary and expected return time.
- Start early and allow plenty of time for your adventure.
- Respect the environment and leave no trace.
- Stay within your limits and seek professional guidance if needed.

Winter climbing and ski touring offer an unparalleled opportunity to experience the beauty and challenges of the mountains in their winter wonderland. With careful planning, proper preparation, and a spirit of adventure, these 50 winter routes promise an unforgettable and rewarding experience.

Whether you are a seasoned veteran or a first-time enthusiast, we encourage you to embrace the winter season and embark on a journey to the mountains. With breathtaking scenery, thrilling challenges, and the camaraderie of fellow adventurers, winter climbing and ski touring will create memories that will last a lifetime.
