## How to Use Our Flash Cards

Using our flash cards is easy. Simply:

1. Shuffle the cards and place them in a pile.

2. Pick a card from the top of the pile and read the question or term on the front.
3. Try to answer the question or define the term on your own.
4. Flip the card over to check your answer.
5. If you answered correctly, put the card in the "correct" pile.
6. If you answered incorrectly, put the card in the "incorrect" pile.
7. Continue until you have gone through all the cards.

You can also use our flash cards to quiz yourself or study with a friend. Simply take turns reading the questions and answers aloud. This is a great way to test your knowledge and identify areas where you need to improve.
