The GED exam is a challenging test that covers a wide range of subjects, including reading, writing, math, and science. One of the most difficult aspects of the exam is the vocabulary section, which tests your knowledge of commonly confused words.

To help you prepare for the GED exam, we have compiled a list of 100 commonly confused words. These words are often misspelled or misused, so it is important to know their correct spellings and meanings.

Use these flash cards to study the commonly confused words. Test yourself by covering up the definition and trying to recall the word. If you can't remember the word, flip the card over to see the correct answer.
