

# GRE Prep Test Essential Vocabulary Flash Cards: Cram Now for GRE Exam Review Study

## What is the GRE?

The GRE is a standardized exam that is required for admission to most graduate schools in the United States. The GRE is divided into three sections: Verbal Reasoning, Quantitative Reasoning, and Analytical Writing. The Verbal Reasoning section tests your vocabulary, reading comprehension, and critical thinking skills. The Quantitative Reasoning section tests your math skills. The Analytical Writing section tests your ability to write a clear and concise essay.

## Why is it important to prepare for the GRE?

The GRE is a competitive exam, and a high score can significantly increase your chances of getting into graduate school. The average GRE score for students who are admitted to top graduate schools is in the 160s. If you want to be competitive, you need to start preparing for the GRE early.
