## The HBS Admissions Process

The HBS admissions process begins with the submission of an online application. The application requires you to submit a variety of materials, including your transcripts, test scores, resume, and essays. You will also need to submit two letters of recommendation.

Once you have submitted your application, it will be reviewed by the HBS Admissions Committee. The committee will evaluate your application materials and decide whether to invite you for an interview.

If you are invited for an interview, you will travel to the HBS campus in Boston, Massachusetts. The interview will be conducted by a member of the Admissions Committee and will last for approximately 30 minutes.

After your interview, the Admissions Committee will make a decision on your application. You will be notified of the decision via email.
