when her past comes back to haunt her, she must decide if she can trust him with her heart.

Sarah Jones is a strong and independent woman. She's used to taking care of herself, and she doesn't need anyone to protect her. But when she's rescued from a dangerous situation by a handsome marine, she finds herself drawn to him in a way she never expected.

The marine, Jake, is everything that Sarah isn't. He's strong, brave, and protective. He's also kind and compassionate. Sarah finds herself falling for him, but she's afraid to let him get too close.

Sarah's past is a dark and dangerous place. She's been through a lot, and she's afraid that if Jake learns the truth about her, he'll reject her. But Jake is determined to prove to Sarah that he loves her, no matter what.

As Sarah and Jake's relationship grows, they must face the challenges of Sarah's past together. They must also face the dangers of the present, as Sarah's past comes back to haunt her.

Will Sarah be able to overcome her fears and trust Jake with her heart? Or will her past destroy their relationship?

Excerpt from Rescued by the Marine

Sarah watched as Jake walked away, her heart pounding in her chest. She had never felt so drawn to anyone before. But she was also afraid. Afraid of what he would think of her if he learned the truth about her past.

She knew that she couldn't keep her past a secret from him forever. But she also knew that if she told him, he might reject her.

Sarah took a deep breath and turned to walk away. But she couldn't do it. She couldn't let him go.

She ran after him and caught up to him just as he was about to get into his car.

"Wait," she said.

Jake turned around and looked at her.

"I have to tell you something," she said.

Jake nodded. "Okay," he said.

Sarah took a deep breath and told him everything. She told him about her past, about the things she had done, and about the people she had hurt.

When she was finished, she looked at Jake and waited for his reaction.

Jake didn't say anything for a moment. He just looked at her with a mixture of sadness and understanding.

Finally, he said, "I'm not going to let your past define you, Sarah. I love you for who you are, not for what you've done."

Sarah smiled. "Thank you," she said.

Jake leaned down and kissed her. "I'm not going anywhere," he said. "I'm here to stay."

Sarah knew that she had made the right decision. Jake was the man she had been waiting for her entire life. He was the man who would love her, no matter what.
