

# The Graded Vocabulary of Contemporary English: 000 Advanced Words

The Graded Vocabulary of Contemporary English (GVCE) is a graded vocabulary list of 000 advanced words that are essential for learners of English as a foreign language (EFL). The list is divided into 10 levels, each of which contains 100 words. The words are selected on the basis of their frequency in current English usage, and they are presented in order of difficulty, with the most common words appearing first. The list is also accompanied by a frequency dictionary, which shows the frequency of each word in the British National Corpus (BNC).

## The Importance of Vocabulary Development

Vocabulary is one of the most important aspects of language learning. It is essential for learners to be able to understand and use a wide range of words in order to communicate effectively in English. A good vocabulary

can help learners to read more fluently, write more accurately, and speak more confidently.

The GVCE is designed to help learners develop a strong vocabulary in contemporary English. The list includes words that are essential for everyday communication, as well as words that are more specialized and academic. By learning these words, learners will be able to expand their vocabulary and improve their communication skills.

## **How to Use the GVCE**

The GVCE can be used in a variety of ways. Learners can use the list to:

- \* Study new words on a regular basis
- \* Review words that they have already learned
- \* Test their vocabulary knowledge
- \* Improve their reading and writing skills
- \* Prepare for English language exams

The GVCE is a valuable resource for learners of all levels. It is a comprehensive and up-to-date list of advanced words that are essential for effective communication in English.

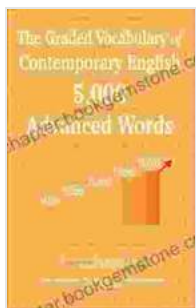

## **The 10 Levels of the GVCE**

The GVCE is divided into 10 levels, each of which contains 100 words. The levels are as follows:

- \* Level 1: The most common words in English
- \* Level 2: Words that are slightly less common than those in Level 1
- \* Level 3: Words that are still less common than those in Level 2
- \* Level 4: Words that are used in more specialized contexts
- \* Level 5: Words that are used in more academic contexts
- \* Level 6: Words that are used in more formal contexts
- \* Level 7:

Words that are used in more informal contexts \* Level 8: Words that are used in more technical contexts \* Level 9: Words that are used in more literary contexts \* Level 10: Words that are used in more creative contexts

The Graded Vocabulary of Contemporary English is a valuable resource for learners of all levels. It is a comprehensive and up-to-date list of advanced words that are essential for effective communication in English. By learning these words, learners can expand their vocabulary and improve their communication skills.
