A Global Conspiracy Unravels

As Pike Logan investigates the seemingly unrelated murders of an American oil executive and a Russian nuclear scientist, a sinister pattern emerges, revealing a far-reaching conspiracy. A clandestine organization known as The Circle is orchestrating a plan to destabilize the world's energy supply and ignite a chain reaction that could lead to a nuclear disaster.

High-Octane Action and Strategic Espionage

With his trademark blend of relentless action and strategic espionage, Brad Thor weaves a gripping narrative that takes readers on a pulse-pounding journey across continents. From the treacherous streets of Istanbul to the volatile sands of the Middle East, Pike Logan's relentless pursuit of the truth leads him into dangerous encounters with ruthless assassins, corrupt officials, and shadowy operatives.

A Race Against Time to Avert Global Catastrophe

As the clock ticks down, Pike Logan and his loyal team must unravel the intricate web of The Circle's operations and expose their sinister plans before they bring the world to the brink of destruction. With each explosive revelation, they face overwhelming odds and must rely on their expertise, courage, and unwavering determination to prevent the unthinkable.

Pike Logan's Unwavering Resolve

Throughout his perilous mission, Pike Logan's unwavering resolve and commitment to justice shine through. A true warrior and protector, he is driven by a deep sense of morality and a burning desire to defend the innocent and uphold the values of his country. His unwavering determination and steadfast resilience inspire every step of his relentless pursuit of the truth.

Edge-of-Your-Seat Suspense and Non-Stop Action

The Ring of Fire is a masterpiece of suspense and non-stop action that keeps readers on the edge of their seats from the first page to the last. Brad Thor's masterful storytelling and vivid descriptions transport readers

into the heart of a global conspiracy, where every twist and turn brings new dangers and unexpected challenges.
