## Guam

Guam is the largest island in the Mariana archipelago. It is located about 3,000 miles west of Hawaii and is a popular destination for tourists and divers alike.

## Diving in Guam

Guam offers a wide variety of diving sites, from shallow reefs to deep walls and wrecks. Some of the most popular dive sites include:

- **Apra Harbor:** This large harbor is home to a variety of marine life, including sea turtles, rays, and sharks.
- **Cocos Island:** This small island is located just off the coast of Guam and is known for its beautiful coral reefs and abundance of tropical fish.
- **Gun Beach:** This beach is located on the west coast of Guam and is known for its WWII-era shipwreck, the SMS Cormoran.

## Snorkeling in Guam

Guam is also a great place to snorkel. The waters are clear and calm, and there are many shallow reefs that are perfect for beginners.

## Where to Stay in Guam

There are a number of hotels and resorts located on Guam. Some of the most popular options include:

- **The Westin Resort Guam:** This resort is located on Tumon Bay and offers beautiful views of the ocean.
- **The Hilton Guam Resort & Spa:** This resort is also located on Tumon Bay and offers a variety of amenities, including a swimming pool, spa, and fitness center.
- **The Hyatt Regency Guam:** This resort is located in the heart of Tumon and offers easy access to shopping, dining, and nightlife.

## Northern Mariana Islands

The Northern Mariana Islands are a group of 14 islands located about 1,500 miles north of Guam.

## **Diving in the Northern Mariana Islands**

The Northern Mariana Islands offer some of the best diving in the world. The waters are clear and blue, and the reefs are teeming with life.

Some of the most popular dive sites in the Northern Mariana Islands include:

- **Saipan:** Saipan is the largest island in the Northern Mariana Islands and is home to a variety of dive sites, including the Grotto dive site. The Grotto is a large underwater cave that is home to a variety of marine life.
- **Tinian:** Tinian is another popular dive destination in the Northern Mariana Islands. Tinian is home to the WWII-era shipwreck, the USS Arizona Memorial.
- **Rota:** Rota is a small island that is located about 40 miles north of Guam. Rota is known for its beautiful coral reefs and abundance of tropical fish.

## **Snorkeling in the Northern Mariana Islands**

The Northern Mariana Islands are also a great place to snorkel. The waters are clear and calm, and there are many shallow reefs that are perfect for beginners.

## **Where to Stay in the Northern Mariana Islands**

There are a number of hotels and resorts located in the Northern Mariana Islands. Some of the most popular options include:

- **The Hyatt Regency Saipan:** This resort is located on the beautiful shores of Saipan and offers a variety of amenities, including a swimming pool, spa, and fitness center.
- **The Fiesta Resort & Spa Saipan:** This resort is located in the heart of Garapan and offers easy access to shopping, dining, and nightlife.
- **The Kanoa Resort Saipan:** This resort is located on the beautiful shores of Susupe and offers a variety of amenities, including a swimming pool, spa, and fitness center.

## **Planning Your Trip**

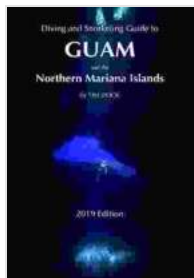

If you are planning a diving or snorkeling trip to Guam or the Northern Mariana Islands, there are a few things you should keep in mind.

First, you will need to obtain a visa if you are not a citizen of the United States or one of its territories. You can apply for a visa at your local U.S. embassy or consulate.

Second, you will need to book your flights and accommodations. There are a number of airlines that fly to Guam and the Northern Mariana Islands. You can find flights on websites such as Expedia and Kayak.

Finally, you will need to book your diving or snorkeling tours. There are a number of dive shops and tour operators located in Guam and the Northern Mariana Islands. You can find dive shops and tour operators on websites such as TripAdvisor and Viator.

Guam and the Northern Mariana Islands offer an unforgettable diving and snorkeling experience. With their crystal-clear waters, vibrant coral reefs, and historic shipwrecks, these islands are a paradise for underwater enthusiasts.
