At first, Sarah thinks that she is just imagining things. But as the strange events continue, she begins to realize that something is seriously wrong. She starts to see figures lurking in the shadows, she hears strange noises coming from the walls, and she feels like she is being watched all the time.

As Sarah's fear grows, she begins to investigate the strange events happening around her. She soon discovers that her apartment has a dark history. The previous tenant, a young woman named Emily, disappeared without a trace several years ago.

Sarah begins to believe that Emily's disappearance may be connected to the strange events she is experiencing. She teams up with a private investigator to try to uncover the truth.

As Sarah and the private investigator dig deeper into Emily's disappearance, they uncover a web of secrets and lies. They soon realize that the strange events happening around Sarah are part of a much larger and more sinister plot.

The Watchers is a well-written and suspenseful horror novel that will keep you guessing until the very end. The characters are well-developed and relatable, and the plot is full of twists and turns.
